

PPG Access SMS Charge Authority

To enable your SMS module, print this page and fax to PPG Access Help Desk on 03 9263 6999.

SMS charges will be added to your existing PPG Access direct debit, if you do not currently have a direct debit arrangement with PPG Access please contact the help desk on 1800 627 798.

The changes will vary depending on the number of messages you send AND receive during any billing period.

You will be charged for each text message sent and received using your account credentials. Domestic messages cost 1 credit while international messages cost 2 credits. As at 27/07/2011, changes are \$0.35 per credit (plus GST), with a minimum charge of \$15.00 (plus GST) per account per month consisting of a \$1.50 (plus GST) user charge plus 40 SMS credits.

SMS charges will be debited from your account in the month following usage.

We also require an email address. This address will be used when customers reply to your SMS and will appear in the inbox of the email address supplied below (a fee of \$0.35 also applies for return messages)

Once your account is established you will be emailed a user name and password to allow you to access the SMS service.

I accept the above Access SMS charges and understand the amount will be debited as part of my normal PPG Access direct debit arrangement.

Business _____

Address _____

Suburb _____ State _____ Post Code _____

Name _____ Signature _____ Date ____/____/____
